Wonder what the hyphenated Americans think of Huxes since Roosevelt is to set the pace for him?

Hettie Green, age 83, died in New York Monday. She was the wealthiest and one of the stingiest women in the world.

The British and Russians are now making headway against the Germans and Austrians, one on the eastern line and the other on the west. It has been required nearly two years for these nations to get ready for war. Germany was the only one fully prepared when

the war was precipitated, and her victories are accounted for by these facts. Now that the other nations are equipped it is probable that the trend of the war will change. In a bombardment lasting a week the British fired one million shells each day. Their new heavy guns surpass anything ever before used in war.

The Kentucky Press Association will hold its annual meeting at Ashland, beginning next Monday evening and ending Friday. The people of Ashland are making elaborate preparations to entertain the body. The members will see a good town and one different in its industries from any other in Kentucky.

The latest about Mexico is that Carranza has sent a message asking for arbitration or a conference as to the differences. He changed his tune when he found the United States meant business. There now seems to be hope of averting war, but President Wilson will continue to prepare for the worst.

Mr. Roosevelt said in a 4th of July speech that he prefers war to the kind of peace we are having in Mexico. Everybody knows he prefers war to peace any old time. That's why the people are so thankful he is not President, and one reason why the people will not in next November elect the man he dominates.

The sympathy of every newspaperman in the State goes out to editor Swift Champ and wife, of Paris. Their only daughter, Miss Frances, was one of a party of four young people drowned in Kentucky river near Frankfort Tuesday night. She was about 20 years old and was an accomplished and charming girl.

After all of Teddy's bluffs and schemes had failed he surrendered, and a few days ago went over to New York and kissed Hughes right in the middle of the whiskers; and they made up and had the loveliest time you ever saw. Teddy was sorry for the naughty things he had said about Charley, and Charley was delighted to embrace the Colonel and all his strenuous theories, and to promise to be good and take orders.

United States troops are being rushed to the long stretch of border between the United States and Mexico, and war preparations are going forward with feverish haste. The Mexican government has shown some disposition to back down or arbitrate, and the tension is not so great as it was. But President Wilson is determined to prepare for the worst, which all must admit is the proper course.

If war must eventually come with Mexico let it be delayed until we are fully prepared. This will be quite a while yet. Training and acclimating troops, accumulating arms and ammunition, clothing, equipment, provisions, etc., is a job requiring months and even years. This work has been under way for more than a year in some departments, but Congress only recently authorized the officials to go about it on a large scale. It is criminal to rush our boys into war unprepared, fit only to be targets. President Wilson is doing right to delay, even if war should be inevitable.

## ANSWER THE ALARM.

LOUISA PEOPLE SHOULD NOT DELAY.

If your kidneys are inflamed, Don't stand around and do nothing. Like a fire it will soon be beyond control.

You will get the alarm in time—Backache, or dizziness or disorders of the urine.

Heed the warning. Give your kidneys a rest by living more carefully.

Use Doan's Kidney Pills to help stamp out the cause.

Profit by a Louisa man's experience. A. Wellman, butcher, Cross St., Louisa, says: "My kidneys gave me great annoyance for years. They were irregular in action and the kidney secretions were unnatural. I had backaches, too. Different medicines I used gave no benefit until I took Doan's Kidney Pills. In a short time I began to feel better and before long, I was strong and well."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wellman had. Foster-Milburn Co., Props., Buffalo, N. Y.
